OSCODA HIGH SCHOOL

OSCODA, MICHIGAN

FOREWORD

You are now reading the biggest and best LUMBERJACK in the history of Oscoda Area High School. Unexcelled in quality, the fruits of countless numbers of man-hours are evident as you glance through the pages. The long hours spent in planning, designing, taking photos, writing copy, and proofreading can be seen, as each leaf of this yearbook is scrutinized by the reader. Also, the tremendous labor put in by the advertising staff, coupled with the most generous support given the LUMBERJACK by its advertisers, brought the cost of each copy down by fifty percent.

With a staff one-third of last year's, the LUMBERJACK, in our estimation, has tripled its quality and, of course, increased to more-than-adequately cover the larger student body and the numerous activities our school offers.

Thus, it could be said that the LUMBERJACK is an indication of the quality of the school as a whole this year. Obviously, this has been the best year ever.

But no matter how excellent the subject matter--O.H.S.--is, a good yearbook means a good staff. Part of this hard-working crew is seen on the following page. But no lesser were the people who did all the minute jobs that built the 1964 LUMBERJACK into a thing of beauty. The unsung heroes of the Annual Staff were: Jeanne Albano, Don Angell, Shirley Eymer, Suzy Gilbert, Lynn Heino, John Mohan, Jay Muennink, JoAnna Maggio, Suzanne Veiluva, Cindy Lyttle, Sharon Mahoney, Art MacNee, Cathy Rose, Donna McLain, and John Williams. In the end, however, no matter what page the LUMBERJACK Staff's names were on, everyone lost many after-school hours that could've been put to use by studying a little harder or just having fun, in order to give you, the student, the best yearbook ever----LUMBERJACK '64!!!

DEDICATION

Every year, the LUMBERJACK is dedicated to one individual who, by his or her actions, has given Oscoda Area High School unselfish labor toward its betterment. This year, it seemed almost an impossibility to decide among the entire student body. So, in honor of the vast majority, the 1964 LUMBERJACK has been dedicated to you--the student body.

For what else is the most important ingredient of any school? Without the students' cooperation and service, this school could not have reached the high level of excellence it now possesses. In most communities, the greatest contributor toward public service, drama, athletics, academic excellence--the fields are endless--is the student body.

Each student who makes up this proud group can look with satisfaction at his or her contributions toward the school. Whether it was a part in the play or just one who came and applauded at curtain calls; whether it was the athlete who furiously strove towards victory or the spectator who cheered him on; whether it was a member of a service group or one who appreciated them--all of these people did their part, large or small, toward building Oscoda Area High School into the fine school that it was.

Thus, if you were the student, who wasn't listed on all the school's activities but one who went out and applauded, cheered, or supported the ones who did, you have just as much a part in belonging to the group of those wonderful individuals that this annual has been dedicated to. To the student body of 1963-64: Thank you for a most memorable year of achievement!

BOARD OF EDUCATION

The Oscoda School System is very fortunate to have such an outstanding Board of Education. These men devote a good part of their time to the successfulness of our school. Because of their work we now have five well equipped schools.

They are elected by the people of the Oscoda School District. They meet every other Monday night and during the course of a year discuss problems from buying athletic uniforms to operating school buses.

SUPERINTENDENT OF SCHOOLS

STUDENTS

Can you imagine four marines on Iwo Jima, charging up a hill, flag staff in hand with the flag furled, ready to plant to indicate victory in a bitterly fought battle. Halfway up one of them says "This is far enough," and they set the flag and return to the lines.

No plaques would have been struck for these men. No songs would have been written for them or poems composed about them. They would not have been heroes. Why should they be, they only went halfway. A heroic event which penetrated the hearts and minds of the nation would have been lost to history.

To all of you students of Oscoda Area High School, remember, halfway up the hill is no place to plant a flag. Halfway up the hill is no place for your ambition to lag, for your initiative to run out. You should never let your objective come down the hill to meet you, but you should always keep moving upwards until you meet your objectives.

Your administration, your faculty, and your community, want this much of you, and for you.

Robert Richardson

DONALD J. WAGNER

PRINCIPAL

Dear Seniors,

Your last year of high school is ending. Shortly you will be tasting the fruits of your past thirteen years of toil.

Are you ready? Have you prepared well? Where will you go? What will you do?

Your teachers hope that you have taken full advantage of the opportunities offered to you by them and your school. We hope that each of you will find happiness on whatever road you may follow and in any endeavor you may undertake. We want you to remember that your education does not end with a diploma, that education is a life long process. We encourage you to continue your learning, either formally at a school, or informally by reading, thinking, and doing.

Your life is just beginning, your education should never end.

Best wishes to each of you. Your faculty and school are always at your service.

Come back and visit us often.

PETER B. HERVEY

JUNIOR HIGH

PRINCIPAL

You, the 1964 graduating class, have been a credit to yourselves and your school. You have achieved goals and a caliber of performance that the underclassmen will be challenged to aspire to in the years ahead. I wish to extend my sincerest wishes to you as you assume responsibilities in your various choices of endeavor.

One is made aware in the current media that many of our young people in America today lack a sense of direction and purpose. If we were to observe the majority of our students performing their everyday tasks, I personally feel as you should, that our student body can pride themselves in doing an outstanding job of meeting everyday challenges with direction and purpose.

Enjoy your summer. We will be looking forward to the coming yearwith re-newed dedication, cooperation, and purpose.

SECRETARIES

Mrs. Barnes and Miss Fenner are responsible for all the office activities, keeping attendance records, working the switchboard, publishing the daily bulletin, and a hundred other necessary tasks. We will be sorry to see Miss Fenner leave when she starts a new career in Flint as a housewife. Although not as well known to the students, Mrs. Smith and Miss Sterling handle the payroll, correspondence, and other business of the Superintendent's Office.

Left to right: P. Trioa, G. Lincoln, L. Simon, E. Courter, K. Allen, J. Butler, H. Skrelunas.

CAFETERIA STAFF

Our efficient cafeteria staff, under the direction of Mrs. Olds, has the big job of providing a good, well-balanced lunch to 650 students and teachers every day of the school year. Few people realize the tedious and hard work the staff puts forth in the preparation of our daily menus. At a quarter, this nutritious lunch is a real bargain. The school appreciates the many hours of labor and good menus the staff has prepared.

Left to right: P. Jocks, C. Larson, A. Donavon, G. Shellenbarger, B. Draper.

CUSTODIAL STAFF

Our whole school operation depends upon the services provided by the maintenance staff. Headed by Mr. Percy Jocks, Building Superintendent, these men operate and service the huge, complex systems, so necessary for a smooth running school. Some of these are, care of the pool, heating and air circulation systems, electrical system, and building maintenance. Mr. Al Meade, Superintendent of Transportation, plans and directs our complex bus operations. Many thanks to this efficient, hardworking group which keeps our school in tiptop condition.

The "GREAT THINKER!"

Hummm.....that's "orange crush?"

CLASS OF 64

VALEDICTORIAN AND SALUTATORIAN

Joseph P. O'Conner, Jr., son of M/Sgt. and Mrs. O'Conner, of Wurtsmith A.F.B., is valedictorian of the Class of 1964. Joe is a National Merit Semifinalist and proud possessor of a 3.8588 average out of the 4.0000 possible.

Joe came to Oscoda three years ago from Kokomo, Indiana. Being connected with the military way-of-life, Joe has left behind him many friends and homes, only to find the world fresher and more exciting at every new location. His travels have taken him to such places as Greenland, Hawaii, and Okinawa. In Joe's educational career he has attended eleven different schools. He expresses a strong desire to travel more after completing his higher education.

Not only has Joe excelled in an accelerated college Preparatory Course but, his long list of extracurricular activities testifies to a well-rounded and dynamic personality. His favorite school activity is working on the Log Staff, of which he is the editor. He is the Cadet Commander of the W.A.F.B. Civil Air Patrol Squadron and has been very active in building that organization in this area. Key Club, Stage Crew and Annual Staff also rate high on his activity list as does Varsity Club and National Honor Society. Joe is also currently a member of the "Quill and Scroll," the national honor society of journalism.

Majoring in English, history, mathematics and science, Joe plans to attend either Michigan State University or West Point to major in political science.

JOE & DOTTIE

Receiving the second highest scholastic honor in the 1964 graduation class was Dottie Carlton. As salutatorian, Dottie has maintained a 3.8542 scholastic average out of a possible 4.0000 points throughout her high school career.

Originally from Georgia, Dottie came to Oscoda in her Junior year. She has attended school in Guam, California and, prior to living in Michigan, was enrolled at Falls Church High School, Falls Church, Virginia, her family being stationed at Washington, D.C. Dottie said she enjoyed traveling, but is now ready to settle down in one place.

If there was an honor society for extracurricular activities, Dottie would rank high on that list. Although she has pursued a rough College Prep Course for four years, Dottie still finds time for Keyettes, Forensics, the Senior Play, and Spanish Club. She is secretary of the G.A.A., vice-president of the Future Teachers, feature editor of the Log Staff and still finds time for the Annual Staff, where she holds the position of senior editor. Dottie is also currently a member of the Quill & Scroll, the National Honor Society and a member of Student Council.

When asked about her future plans, Dottie's earnest reply was her desire to attend Purdue University in Indiana, majoring in Spanish and Physical Education.

We would like to extend to you too, Dottie, our congratulations and sincerest wishes for a most fabulous career that awaits you.

TOP EIGHT SENIORS

Competing with Joe and Dottie for high honors were Bill Jaxtheimer in third place; Kathy Mickle, fourth; Jeff Eoff, fifth; Nancy Hall, sixth; Suzanne Veiluva, seventh; Bob Wissmiller, eighth; Sharon Mahoney, ninth; and Cynthia Lyttle, tenth. We at Oscoda look toward these people for leadership and have never been disappointed.

STUDENT COUNCIL

This year's Student Council, with the cooperation and support of the administration, has worked to establish a firmer link between the student body and the administration. The formation of the Student Relations, Dance, and Club Committees within the council and the Student Advisory Board directed by the council have worked towards this end. The main goal has been, through these committees, to let the students voice their opinions.

Among the services and activities of the council was the staging of the Homecoming which was termed the best in Oscoda's history, the Christmas Dance, revision of the constitution to make it more workable, lengthening of pep assemblies by taking three minutes from each period during the day, and the sponsoring of a Student Council Day.

The Student Council also provided funds for framing the portrait of Mrs. Florence Perry which now hangs in the school library. Along with the newly formed P.T.S.A., the Student Council is planning to sponsor a talent show late in April.

Hmmph! MEN!!!

Smile now!

There oughta be a law against women's purses!

They sent Buck to the hospital for an amputation of his little finger.

Prexy of the Student Council

CLUB DE ESPAÑOL

Sponsor, Mr. Gonzalez; president, B. Knutson, vice-president, C. Welch, secretary, S. Baker.

This being the first year Spanish Club has been in existence in O.A.H.S., it has not, as yet, been developed to its fullest capacity. In spite of the handicap of being new, this organization has had many enjoyable nighttime meetings which included; learning Spanish dances and songs, tasting Spanish foods, besides learning to speak the language.

With the support of the students of future years, the Oscoda Spanish Club will continue to flourish and grow with many new ideas and plans for the years to come.

LOG STAFF

Row One: A. Hilkovitch, J. Betz, P. Faragher, J. LeCureux, C. Bagonis, S. Veiluva. Row Two: Mrs. Draeger, D. Pratt, S. Bennett, R. Schoolcraft, R. Straube, T. Havercroft. Row Three: D. Carlton, K. Mochty, J. Alexander, J. Burgess, S. Bell, D. Thompson, K. Sturch. Row Four: J. Muennink, M. DiGiuro, J. Karpowitz, J. Stoley, J. O'Connor, G. Davis.

Never before in the history of O.H.S. has the Log been so successful. Through the efforts of the best staff ever, the Log published eighteen issues this year, the majority of them six-pages. The news has never been so up-to-date, the feature articles more precious, and the sports coverage more colorful than in this school year of 1963-1964. Also, through the efforts of a diligent advertising staff, the Log has represented more business firms than ever before.

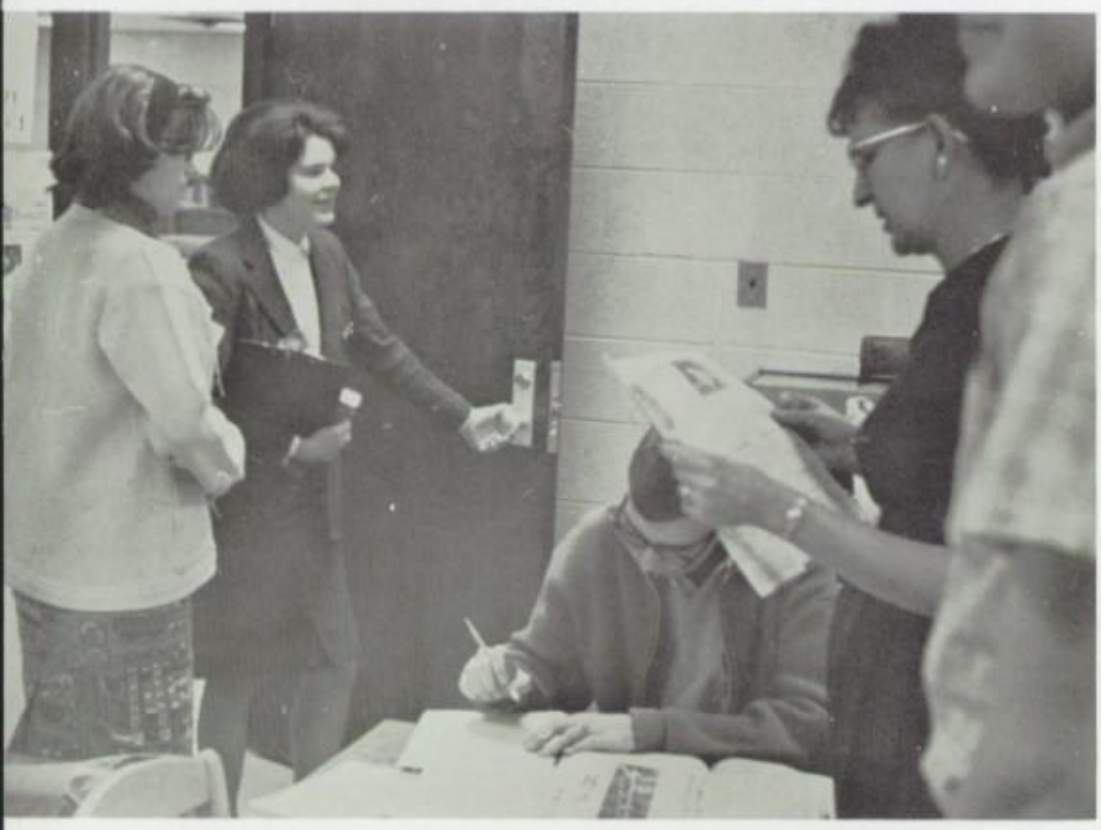
The students that comprised the backbone of this fine student organization were: Joe O'Connor, editor-in-chief; Bob Wissmiller, associate editor; Suzanne Veiluva, who succeeded Ruthann Straube, news editor; Dottie Carlton, feature editor; Gary Davis, sports editor; Pat Faragher, advertising manager; Ann Hilkovitch, circulation manager; and Mike O'Connor, staff photographer. Also, ten members qualified for the Quill and Scroll, the International Honorary for high school students, attending the staff's excellence. Further words are unnecessary, as the excellence of every issue shows the many, many hours of hard work and journalistic creation.

Standing: P. Faragher, M. O'Connor, G. Davis, A. Hilkovitch. Seated: B. Wissmiller, J. O'Connor, D. Carlton, R. Straube.

Mrs. Draeger and the tireless staff.

"What a crummy paper!"

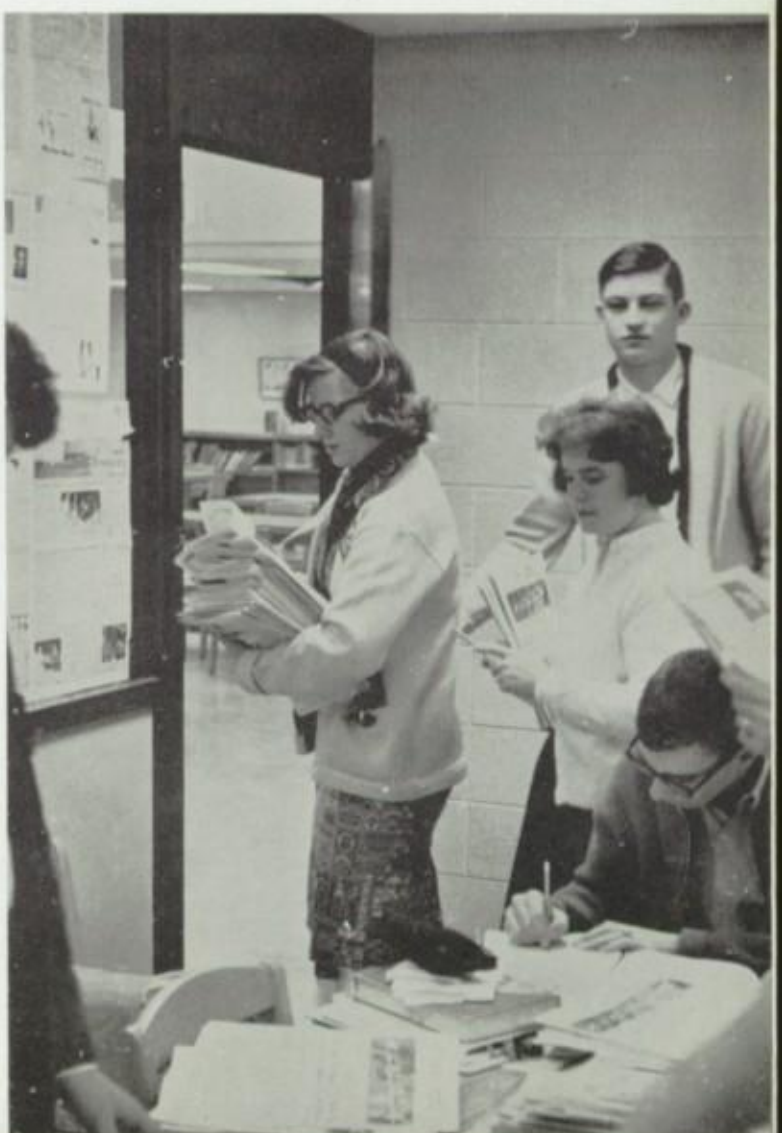
"But Bob, it's upside down!" "Shut up, Dottie."



"Where's the editor, I've got a complaint."

"MY ARTICLE!!"

"We also sell them."

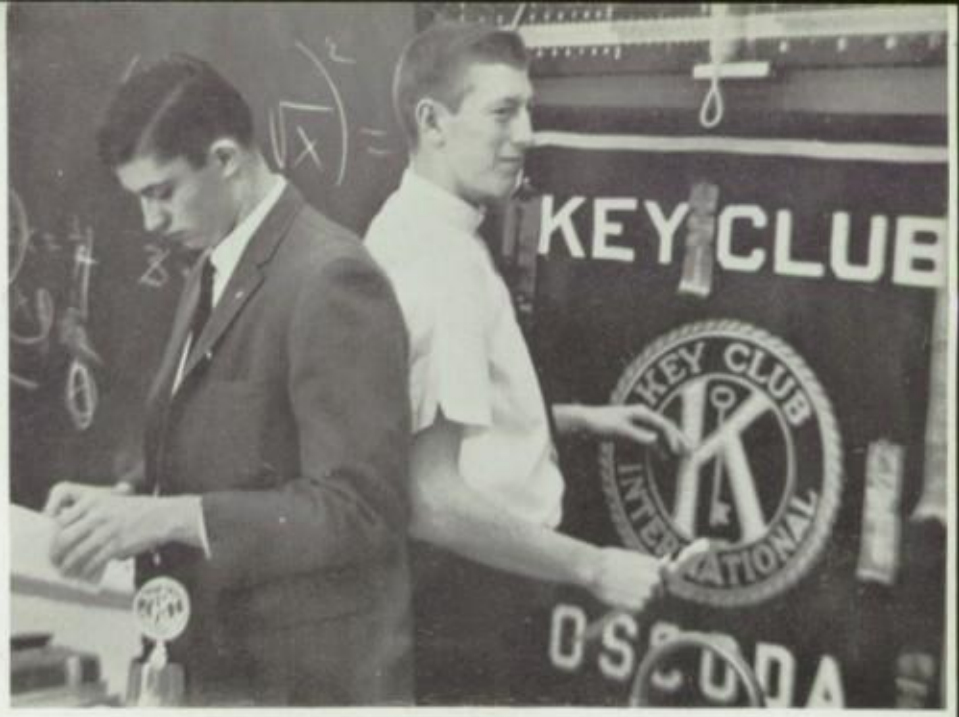


Row One: T. Schoeffler, T. Tate, Mr. Alexander, J. Karpowitz, R. Lee. Row Two: G. Davis, J. Muennink, A. McNee, J. Lockhart, J. Sklepkowski, D. Goss, R. Horn. Row Three: P. Carlton, P. LaRouech, J. Williams, J. Stoley, B. Wissmiller, J. O'Connor, M. Roach, J. Eoff.

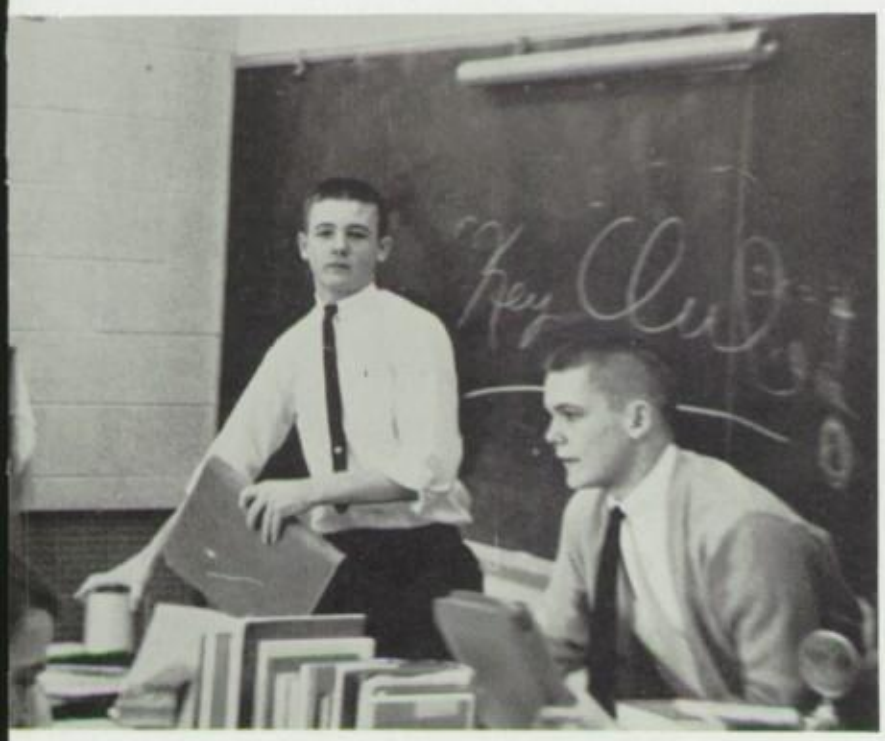
KEY CLUB

This year proved to be one of great success for the Key Club, with a history of taking State first-place honors in three previous years, and making this year Number Four. The club had over 100 projects by the end of the school year, with the most outstanding of them all being its annual Thanksgiving Food Drive. The boys traveled more than 300 miles, distributing over 2,000 pounds of food to forty-two needy families in the county. Another of the outstanding service projects was the annual clothing drive, in which 1,995 pounds of clothes were collected, packaged, and sent to a distributive organization. Once again the Club has kept up its tradition of "We Build" in its service to our school.

Standing: J. Muennink, secretary; G. Davis, treasurer. Seated: J. Stoley, vice-president; B. Wissmiller, president.



Heh, heh . . . right behind his back . . .



One more remark and I'll pound 'ya!

Arthritis at 17?!

No, Art, you're only twenty minutes late this time.

Watch out, Gary! It's a giant chicken hawk!!

Back Row: S. Mahoney, S. Bennett, J. Robertson, J. Albano, C. Lyttle, B. Burrell, D. Carlton, J. Diloretto. Middle Row: Mrs. Quellman, sponsor, S. Baker, L. Kruger, P. Snable, R. Straube, M. Brooks, Mrs. Swaton, sponsor. Front Row: A. Hilkovitch, S. Veiluva, J. Riggin, C. Rose, C. Stokes, P. Shelton.

KEYETTES

Chosen in December and May, the Keyettes are selected on the basis of previous service to their school, good academic standing, and ability to work well with others. Carrying out their motto "We Serve," you'll find the hardest-working girls in school in this small organization. Besides supporting their Arkansas orphan, Linda, and the Peace Corps, the girls have lent their energy and effort to every charitable activity in this area. One achievement the girls are proud of is starting another Keyette Club in East Tawas. A part of their treasury is also set aside for a scholarship for a worthy Keyette. In two years, the Keyette organization has grown into the school's finest service club.

The Keyettes sold mum corsages for Homecoming--here they're putting together the backings for the flowers!

The "float" that won "Most Unique" for Homecoming was made by the Keyettes--a funeral procession for the opposing team!!

Philip Esser, a young singer from W.A.F.B., has been long noted for his fine abilities to put a song across!!

Ruthann was the mistress of ceremonies, welcoming the audience, and introducing the talented performers.

One of the main events of the Keyettes' agenda and certainly a big production for Oscoda High, was the very successful Hootenanny!! The purpose for the Hootenanny was to earn money so that the Keyettes could "adopt" a child through the Christian Children's Fund. Thanks to the diligent efforts of the club members, and the large attendance of the public, the Keyettes are now the proud "foster parents" of a fourteen-year-old girl, Linda, from Arkansas. The girls send letters and gifts to Linda, in hopes that she shall have the comfort of knowing there is someone who cares.

A local group, The Fearless Five, surprised us all with their talent and their rendition of "We're Goin' Down the Country!!!"

The Merrymen, a really great group from Cadillac, were the main attraction---especially for the females in the audience!! It's not often they see four guys as good looking as the Merrymen in one place!! They sang many favorite folk songs, such as "Five Hundred Miles" and "Michael!!"

Elaine Smith, accompanied by Mr. Hunt on the autoharp, sang a beautiful "Johnny's Gone for a Soldier!!"

Another local group, the Juniors Four, gave a fine display of ability. Tannis, Ivy, Paula and Sherry are a group with professional flair that can always be counted on for entertainment!!

NATIONAL HONOR SOCIETY

The National Honor Society is a nation-wide organization composed of students who have maintained a 3.0 scholastic average throughout high school. They are selected by the faculty and administration on the basis of: Character, scholarship, leadership, and service. Among the organization's activities and services, they award scholastic pins and certificates to junior high students and show new students around the school. This year they held a successful bake sale to pay for the annual initiation ceremony.

The office aids help in the high school office by doing little odd jobs for the secretaries, answering the phone, and just being all-around helpful. They have rendered considerable service during this year and should be well-trained for next year.

A larger group of hopeful schoolmarms cannot be found!!! And, finally, the potential male teachers are beginning to come to the meetings, undaunted by the excess of females!!! Guest speakers, such as Mr. Robert Richardson, Mr. James Howse, Miss Ellen JeudeVine, and Mr. Gauthier from Michigan State, have given the members a better insight into the teaching profession. Plans are now being made for Teaching Week in April and a Future Teachers' Banquet.

STAGE CREW

Once upon a time, Oscoda had an industrious stage crew. Headed by Gary Davis, stage manager; Bob Wissmiller, asst. stage manager, and supervised by Mr. Draeger, this year's crew worked long and hard at an assortment of projects. The Junior and Senior plays, assemblies, noon movies, band concerts, and the Forensic program are only a few of the varied activities the stage crew has made possible. The crew maintains the stage and auditorium, lighting, curtains, and all other phases of stage craft. This year proved very successful and the crew lived happily ever after.

The Varsity Club is an organization made up of boys who have earned a letter in a varsity sport. The Club sponsored the All-American Red-Head Basketball game as their main moneymaking project. The Red-Heads played the Oscoda High Teachers and defeated them by a single point, 43-42. The evening was certainly an exciting one and enjoyed by all.

A one-hundred dollar scholarship will be awarded to a senior in the Club and a picnic will follow up as the last event of the 63-64 year.

SI

The diligent efforts of Mr. Gum helped to make this year's Forensics program one of the best. The quality of speaking was among the highest ever heard at Oscoda. As always, the hopes for the coming years are encouraging, as more and more come out for Spring Forensics. The catagories were as follows: Declamation, Interpretive, Humorous, Oration, and, one that has never been used here before, Extemporaneous.

In this program students are allowed to express one of our most precious freedoms--the freedom of speech. Here at Oscoda we cherish this right, as we realize that the course of human events is determined by the decisions and conclusions formed after both sides of an issue are presented for public inspection.

CHOIR

Music is their business, and they do it well. Presenting concerts, the ones at Christmastime especially, keeps the music lovers at Oscoda High School happy. The choir is selected from the best singing talent in our school. With a zest for song and a feeling for rhythm, they fill the music room with sweet harmonies. Under the direction of Mr. Hunt, they bring more pleasure our way.

Under the direction of Mr. Charles Hunt, the Junior High Choir is receiving invaluable information and training about the fundamentals of music concepts in order to prepare them for participation in the Senior High Choir.

Homecoming Royalty

presenting .....

Queen Sandy & Court

Queen Sandy Pagels, at her golden moment, is crowned by co-captain Don Nuffer.

Homecoming actually started long before the first floats rolled down State Street. The Oscoda High Student Council received overwhelming support from the school clubs and organizations. In the future, with anticipation of more time for preparation, we hope to have more clubs, classes, and town organizations participating. Stores were barraged with demands as thousands of paper napkins were used to decorate numerous floats. A parade Friday afternoon, led by the Oscoda High Marching Band, was the culmination of many efforts to complete the floats in time, but it was just the beginning of an exciting Homecoming night's activities. In the evening a bonfire stirs up the onlookers as preparations are made to parade the field. A human snake led the parade to the field.

At half time, awards were presented to winning floats. Proud club members looked on as the Tyronians won as 'Most Humorous,' the Keyettes as 'Most Unique,' and the G.A.A. as the 'Most Outstanding,' the Grand Prize Winner!

Queen Sandy and her court were then presented as our Homecoming Royalty of 1963-64 to a cheering crowd. Homecoming will long be remembered for its hard work, fun, and excitement by those who participated and attended!

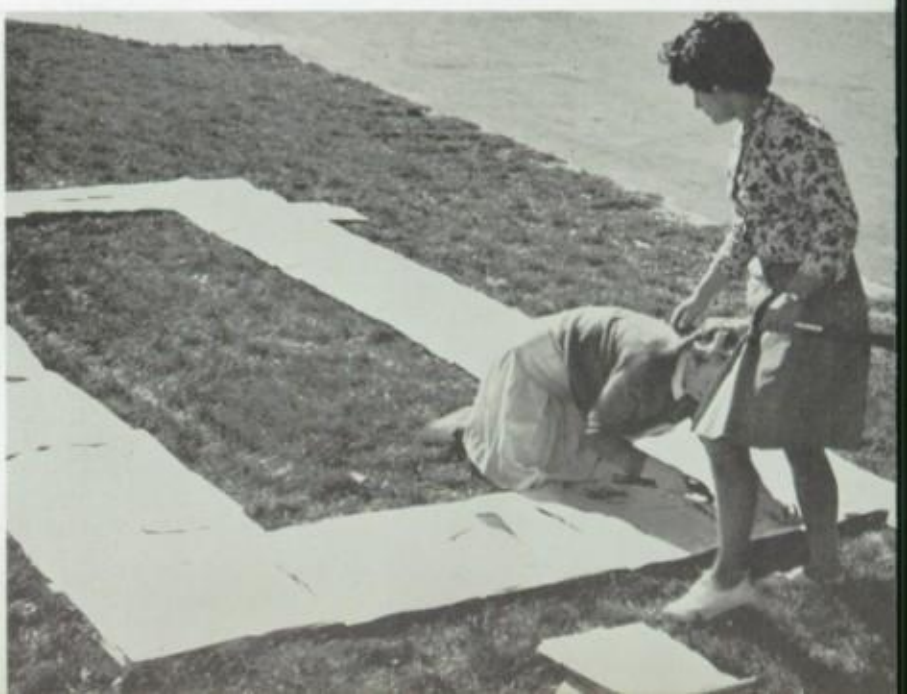
Don is escorted by Mr. Brian Sommers, and Mr. Steven Swaton.

Budding red roses and white carnations can hardly match Sandy's smile!

In the front of everything, the OHS Marching Band leads the afternoon parade of the Homecoming festivities.

Waving a "hello" to the crowd is Boo Shelton, freshman attendant of the Queen's Court.

Decked out in an enticing array, the Queen and her Court pose for the photographer. The Royalty consists of, from left to right, Pam Shelton, Diane Nutt, Queen Sandy Pagels, Cathy Rose, and Boo Shelton.



No, the town dump isn't moving--it's the Tyronians' Homecoming float.

Providing vocal support for the parade are JV and freshman cheerleaders.

Accepting a handsome gift from the JayCees is Pam Shelton, junior attendant of the Homecoming Court.

Reflecting a moment, amidst all the glory of the pageantry, is Queen Sandy Pagels.

PEP RALLIES

Many a time, an exciting pep rally has "rallied" the support and enthusiasm of both the team and the student body. A few words from the coaches, the co-captains, and cheers of "roll-em-up" spur the team on to victory.

DAD'S NIGHT

Each year the fathers of the football players are recognized at the annual Dad's Night football game. The fathers are given one of their son's jerseys and a ringside seat to watch the ball game. This year, the fathers enjoyed a game between the Owls and the Rogers City Hurons, ranked fifth in state, with the Owls squeaking by the Hurons 27-26.

SYNOPSIS

The Junior Class of "63" presented "Rebel Without a Cause," the story of a teen-age youth facing the task of adjusting to new surroundings. Jim is confronted with the problem of a pretty girl and her steady, the leader of a teen-age gang. Through the companionship of Judy, Jim gains a brighter outlook on life.

RECIPE FOR SUCCESS

In the spring of 1963, the Junior Class put together a few basic ingredients like a dramatic script, a fine stage crew, hard-working directors, and a talented and eager group of students, and we had the beginnings of a first-class production. We added a few spices such as a modern story, and a "first" for Oscoda in using a different cast each night.

A gang fight, a "Chicken run," and a police chase around a deserted mansion provided the action and suspense. For sweetness we combined humor and romance. As a final measure against failure there were the "hidden ingredients"; the committees, the ticket salesmen, the publicity group, and the numerous other juniors who contributed in their own way to the final result. For that last necessary touch, we had a wonderful supervisor, director, and sponsor, Mrs. Christine Draeger, whose time and effort provided the needed guidance we depended on so much.

The result and finished product was "Rebel Without a Cause," a play we juniors had fun in presenting and one the audience really enjoyed!!

THE ACTIVITIES BANQUET.... A FITTING CONCLUSION TO A SUCCESSFUL YEAR!!

Some eat while others organize their thoughts.

Everybody digs into a meal graciously supplied by the Board of Education.

The most unique event that occurred last school year, 1962-63, was the highly colorful Activities Banquet. This occurrence brought the majority of the Senior High student body, individuals who had given most of their free time during the school year to add a little color or perform service projects for 'ole O.H.S. Over thirty extracurricular organizations and athletic teams were represented by an excess of 400 students and their sponsors. Besides the delicious meals, each club presented itself with a brief summarization of its year's activities and a recognition of all members. The lingering memories of many of this "shindig" made the year's toils seem worth it all.

It's a sister-brother act as Kathy and Jerry give us some pearls of wisdom.

Our group had 21% fewer cavities!!

Kim, do you mind if I just eat my meal in peace?

The fairer sex dominates this table!!

Even the teachers seem to be enjoying themselves!!

The Commons was packed with hungry people!!

This year's squad faced stiff competition in the form of large class A squads, league-leading, and high ranking state opponents. Despite inexperience and lack of depth, the Owls finished the year with a balanced season, defeating such teams as Alcona, Pinconning, Gladwin, and Rogers City.

The Owls' first showings were impressive, as they handily beat Alcona and Pinconning, both by the score of 20-6. Plagued by injuries in the following weeks, the Owls dropped the next two encounters with Tawas and West Branch by narrow margins, despite strong second half comebacks. Oscoda waged a strong battle against class A Alpena, scoring early in the game. The last game of the season, with Rogers City proved to be a close battle. But the hard-hitting Owls outshone the Hurons, winning by a score of 27-26.

Honorable Mention All-State, All-Conference

This year's dynamic team was honored to have among its players 3 outstanding performers who received All-State and All-Conference honors.

Don Nuffer, Oscoda's burly tackle, represented Oscoda on the All-Conference team and also drew an All-State Honorable mention. Don saw 3 years of action for Oscoda, serving as co-captain of the '63 team. He is considering a 4-year scholarship to Utah State.

Pete LaRouech, seeing action as both quarterback and halfback, set the pace in total yards gained. He copped All-Conference and All-State Honorable Mention. This was his second year on the All-Conference team.

Mike Roach, Oscoda's aggressive end, rounds out the trio of All-Conference honor holders. Mike proved to be of great value to the team, being on the receiving end of many key passes.

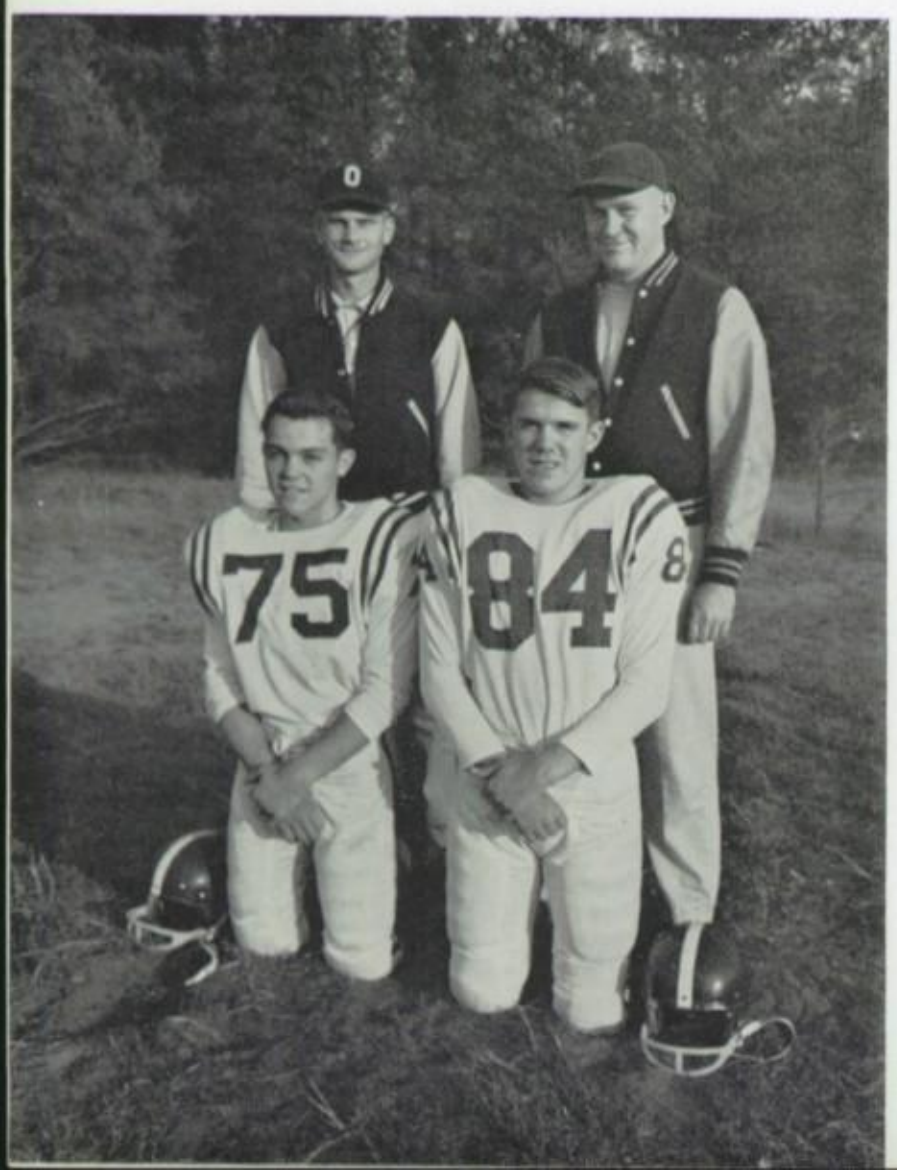
J.V. FOOTBALL



The team had probably the most successful season since there has been a J.V. squad. They took first place in the conference with five wins and no losses. Their biggest upset and best game was when they defeated Tawas 46 to 14. After losing two of their players to the varsity it did not hurt their spirits and they still continued their winning ways.

Coach Lyle Layer and Asst. Coach Tom Coulon pose with Co-Captains Dick Dey and Elwin Rick, in one of the "warmer" months.

FROSH FOOTBALL

Under the coaching of Mr. House and Mr. Wainwright the freshmen had a 2-3-1 record. Their best game was against Whittemore J.V.'s in which they won 40-0.

These boys practiced every night after school. With this kind of ambition they soon will make good J.V. and Varsity players.

Back Row: Coach Ben Summers, B. Knutson, E. Butler, D. Hawkins, C. Giffin, J. Stoley, J. Richards, G. Griffith, M. Roach, B. Gobel, manager. Front Row: J. Holtz, G. Davis, P. LaRouech, B. Kennedy.

This year our team had quite a successful season. The school and team gained the most satisfaction from Oscoda's defeat of Alpena High 61 to 53. This was the first time Oscoda has ever beaten Alpena in basketball and it is truly something to be proud of.

Ed Butler and Gary Davis were the co-captains. Under the capable direction of Coach Ben Summers the team enjoyed another fine season.

Ed Butler, one of the Owls finest basketball players both defensively and offensively, gained recognition as a member of the All-Conference first team and by receiving honorable mention on the Detroit Free Press All-State team. Ed scored 36 points in the West Branch game to set a new scoring record at Oscoda. Throughout the season Ed averaged 20 points a game.

J.V. BASKETBALL

The J.V. squad had a successful season winning nine games and losing seven. They tied for first place in the league with Standish and West Branch. Next year these boys will be trying for a position on the varsity. If these boys didn't learn anything else this year, they have become experts on the sprint drill.

GIRLS' BASKETBALL

The students of Oscoda High School are delighted to welcome a new addition to the sports curriculum, the Girls' Varsity Basketball Team. Coached by Miss Ellen Jeu De Vine, the girls have practiced and worked hard to learn the tricks and skills of basketball.

The girls were able to get the same thrill and satisfaction out of varsity competition as the boys' team, and they profited by the experience. Although handicapped by no previous experience, they did earn one big victory over Whittemore.

We're looking forward to next year's team and more victories for the girls.

VARSITY SWIMMING TEAM

The Oscoda tankers had another remarkable year, dropping only two of their nine meets to the larger Class A Midland. Special recognition should be given to three seniors who have been on the team for three years and have certainly done their share. They are Paul Larson, Gary Martin, and Terry Schoeffler.

The team made a fine showing in the state meet, missing third by a heartbreaking disqualification but settled for sixth in state. Ken Bowers became Oscoda's first state champ as he took first place in the backstroke. Other winners were Gary Taipalus, third place in diving; Paul Larson, fifth place in the 400 yard freestyle; Terry Schoeffler, fifth place in the 100 yard freestyle; and Gary Martin placing sixth in the 400 yard freestyle and fifth in the 200 yard freestyle.

This is a fitting climax to these boys' high school swimming career and a tribute to Coach Coulon in his first year at O.H.S.

MacNee, R. Lee, M. Miller, Co-Captain H. Webester, C. Hennigar, M. Taubitz, G. McDougall, R. Sullivan.

Co-Captain Harry Webester, Coach George Wainwright, Co-Captain Art MacNee.

The 1963-64 Owl wrestling squad, under the direction of Mr. George Wainwright, had a highly successful season. Wrestling in the first string slots were Jeff Dunham 95 lb., D. Sheply 103 lb., E. Sanders and T. Callahan 112 lb., R. Lee 120 lb., R. Koenig 127 lb., Co-Captain A. MacNee 133 lb., M. Miles 138 lb., R. Rousseau 145 lb., C. Hennigar 154 lb., Co-Captain H. Webester 165 lb., M. Taubitz 180 lb., D. Nuffer, hvy. Outstanding work was done for the team by Mike Miles, Art MacNee, juniors and Harry Webester, senior. These three grapplers were the scoring nucleus of the squad. Miles, having gone two years without defeat in duo-meets, was a top ranked contender for the crown of first place at the regionals but was defeated in his second match by a returning state champ. Harry Webester placed third in the regional meet after winning four out of five matches. The Owl co-captain won three of these matches on pins. Harry then went on to represent his team in the finals for the state championship at Lansing. The team finished the season with 1-4 record after losing two meets to a strong Freeland team with very close team scores in both outings.

Darrow, R. Polk.

TRACK

Mr. Larry Quellman's 1963 trackmen enjoyed a successful season. The team was composed mainly of sophomores and juniors. Senior Tony Richardson was a consistent winner in the shot-put, setting a new school record and placing 2nd in the Regional track meet. Sophomore Pete LaRouech broke the school records in both low and high hurdles competition. Sophomore and junior lettermen returning to next year's team should form a good nucleus for an outstanding team.

VARSITY BASEBALL

The Oscoda Varsity Baseball team, under the able coaching of Mr. Pat Tate, did a fine job this season considering this is their first year coming into a new league. Next year there will be five returning lettermen which Coach Tate will be able to build his team.

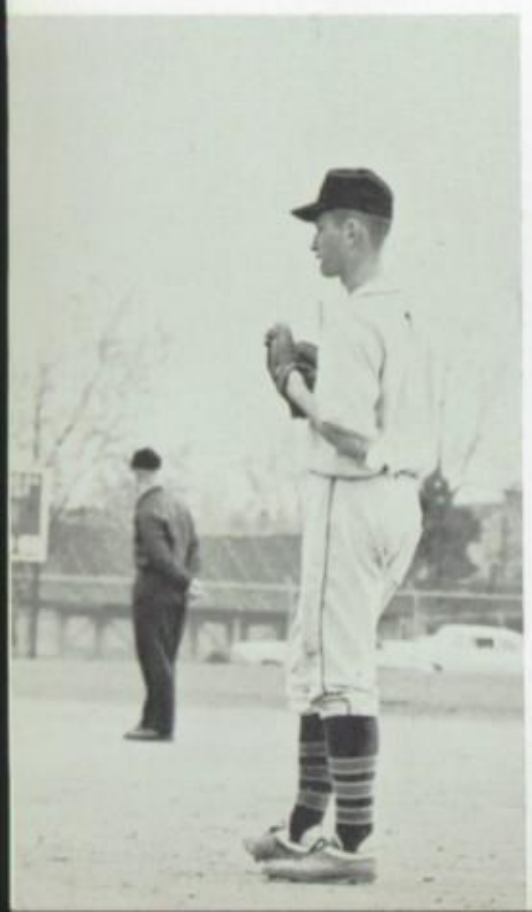
The O.H.S. Junior Varsity baseball team, under the able leadership of Mr. Swaton, started the season with only two returning starters. Through much hard work and determination the team ended up with a two win and three loss record. The team also had the misfortune of having a no hit game pitched against them.



Back Row: S. Veiluva, J. Amley. Front Row: K. Kelly, M. Headley, K. Colbath.

CHEERLEADERS

The action of the game and the spirit of the crowd are always reflected on the faces of five active girls--our cheerleaders!! Whether J.V. or Varsity, their pep and energy rouses the emotions of the fans and the spirits of the team. It's their job to "yell" the team on to victory and they do it well!!

Back Row: R. Kahn, M. Curley. Front Row: R. Goetz, C. Scarbrough. Middle Row: C. Daerr, C. Anderson.

Alt. J. Maggio

Back Row: K. Rose, C. Welch, M. Brooks. Front Row: D. Wright, P. Allen.

This year's Varsity Cheerleaders have played a very important part in supporting our team to many a victory. Putting up signs, decorating the goal posts, selling "victory ribbons," organizing pep rallies, besides cheering at the games, are only to mention a few of their duties. Without these "Girls" the team and spectators would be lacking that encouraging spirit needed at our games.

Back Row: T. Benedict, A. White, C. Welch. Front Row: P. Allen, D. McLaine.
